"Completing the Dream"

It's April and Spring is in full bloom at the Community Center!

We're looking for volunteers to be part of a fun, new and exciting committee to help with this year's Stewardship & International Food Fairs. Get in on the ground floor and become part of a legacy. We're hoping to grow our Stewardship & International Food Fairs into one of Incarnation's largest events of the year and continually grow these events well into the future.

We're looking for volunteers with strong fundraising skills, creative, event planning skills, organized and very motivated.

If you're interested, please contact me at the Community Center at 818-281-5956 or contact the Parish Center Office at 818-242-4592 as soon as possible as we would like to begin planning in May.

It's time to get motivated and get involved!

ICC Director of Marketing & Special Events

## ICC TESTIMONIAL

March 24, 2011

Dear Tonie,

Just a quick note to let you know that the Glendale Community College Yoga classes held in room 203 went very well this Winter Session.

The building and room were both open in a timely manner where I could set up my signs directing students upstairs and set up my equipment. The building, room and the bathrooms were clean and pleasant for use by the students. I just wanted to let you know that I appreciate the hard work of Rueben and Jesus in getting things ready for us and that I appreciate your work with Kathy Seifert, Director of Community Services, in making these arrangements.

Sincerely,  
Susan Quon  
Yoga Instructor

### Incarnation School Father Daughter Dinner Dance...

On Saturday, February 26, Incarnation School girls in grades preschool through eight attended the 2<sup>nd</sup> Annual Father Daughter Dinner Dance at the Incarnation Community Center. The change in venue from the school auditorium to the Community Center gave the Dance Committee access to a full kitchen, a lounge for daddy-daughter photos, and the gym and stage space for music, dancing, and dining. The fathers and daughters spent a wonderful evening together, and we look forward to the event at the Community Center again next year!

## Rosemarie's Corner...

Spring is finally here, and that means that our Preschool Class is "bursting" with excitement! April is a month of celebration, exploration, and discovery. During the days ahead, we will be celebrating an early Father's Day, and Easter. We will also be "celebrating April" by studying and learning about trees, flowers, spring animals, gardens, and other springtime wonders!
