## Incarnation Community Center

“Completing the Dream”

Summer is winding down quickly, just one more month to go! It was a busy and exciting time at the community center this year. We had over 100 kids participating in the various camp such as; bible, language and music camps. We look forward to having them all come back next year and making our community center their home.

As the word gets out about our community center and its fabulous spaces and affordability, it is a good idea to make your reservations at least six months in advance to secure your date.

If you would like any information regarding rental opportunities, please contact my office at 818-281-5956. I also invite you to visit our updated website at [www.incaglendale.org/inca/commcenter](http://www.incaglendale.org/inca/commcenter)
