

# OUR HISTORY

*The Church of the Incarnation is a Catholic faith community founded in 1927. In order to expand the work of our growing ministries and parish organizations, we purchased the property at 214 West Fairview Avenue in 2006. Through the generosity of our parishioners, we were able to remodel and upgrade the facility, which is now fully operational. In addition to providing space for our parish ministries, the Incarnation Community Center is available to host a variety of outside community groups and special events...*
