“Completing the Dream”

To the Pastoral Council Members, Incarnation Staff, Incarnation Volunteers & Incarnation Students, & attendees,

I would like to take this opportunity to thank everyone who helped with the “Stewardship & International Food Fairs.” With your help we raised a little over **\$1,800** for the Building Fund!

A very special thanks to Ray Shinn & the Pastoral Council! Thank you Ray for going above and beyond, not only assisting with the planning stages of the events, but with the set-up of the gym and outdoor areas as well. “I couldn’t have done it without you.”

I would also like to thank our Incarnations staff members, volunteers and very creative Incarnation School Students who were also instrumental in the planning, decorating and the execution of the fairs. I think we have a good foundation on which to build in the future planning of these events in the coming years. Once again my sincere thanks and may you all have a wonderful holiday season filled with joy, laughter & most of all, family.

Dear Tonie:

A much belated but nevertheless sincere note of thanks to you for your cooperation in making arrangements for the Inca Contemporary Choir to use the beautiful new Fireside Lounge at the ICC.

The event was a baby shower for one of our choir members and his wife and I am happy to let you know that Liam Gatten has made his appearance into this world of ours and is a healthy baby with two very happy parents!

The arrangements were absolutely perfect for our group and the function. The room is a lovely setting for an affair such as this with very nice amenities. Everyone in attendance was so pleased and have been telling others of this experience.

Everything worked out just as we’d asked – extra tables and chairs were in place and all the directions you had given me were right on. We thank you so much for your help. I hope there are other groups in our Church family who will avail themselves to use rooms like this. We are so very fortunate to have this facility available to us.

Again, thank you for your cooperation. It was a wonderful, happy occasion.

Sincerely,

Rita Adams

ICC User Testimonial

The Church of Incarnation Community Center is a Non-Profit organization. Please contact our office for donation information...thank you.

Note from Father Larry:

Our recent International Food Fair was truly International. And to be able to sample so many different dishes in one place was a delight. I even had an opportunity to try Armenian Pizza!

The outdoor setting at the community center highlights how we can continue to build community by sharing in a variety of events that appeal to both adults and children. After all, everyone likes to eat!

A very special "thank you" to Tonie Casey, our Marketing & Special Events Director, who worked hard to make the Ministry Fair and International Food Fair a success. Also, many thanks to Raymond Shinn and the Pastoral Council, along with our Hospitality Team and volunteers who devoted countless hours to the preparation and setup for both events.

We raised more than \$1,800 for the parish Building Fund. I hope we, as a parish community, can continue to make good use of the community center for a variety of events in the coming year.

Blessings, Fr. Larry Neumeier
