

Incarnation Community Center

"Completing the Dream"

As we fast approach the end of 2011, I can't help be reflect on this past year and how fast it has gone by. I'm also extremely proud of how far we've come with the use of the community center. Parish groups are making good use of the facility and we have increased our overall usage as well.

I look forward to 2012 and increasing the popularity of the Community Center even more. We are currently working on the last two rooms in the building and with a lot of hard work and god's blessing we should have those completed in the near future.

Also, remember to visit our website as we are always trying to work on improvements. Recently we've added a new feature, "Google Calendar," located at the bottom of the home page. It's a valuable tool to have access to when planning your next event, group meeting or workshop. Not only can you see which days are still available, but you can see when your event has been booked and confirm that you have the correct reservation.

As always, if you would like any general information regarding the use of the Community Center, please contact my office at 818-281-5956. Also don't forget to visit our updated website at: www.incaglendale.org/inca/commcenter
