

FATHER PAUL tRIBute ALBuM

Thanks to everyone who contributed to Father Paul's beautiful book. It will be a wonderful remembrance of his time here with us.

It is available to view online, and you will even have the option of purchasing a copy for yourself. To view online, send an email to Debra4CM@sbcglobal.net. Use the subject line "Storybook". I will send you a link and instructions.

Interested in creating a photo album of your family? a special trip? your heritage album? How about a tribute album for someone special in your life? I'd be happy to help you! Call (818)557-7455 or email.

Thank you,
