## Incarnation School Corner...

### INCA Academic Decathlon Team

Last fall **Incarnation School's Academic Decathlon Team** began preparing for the Junior High Decathlon event in March. We needed a suitable place to review with our group of 20 students. During school hours, we have a number of options, but we wanted a good meeting place off campus for our reviews on school holidays. The **Incarnation Community Center** has provided us with just that place! The Community Center is central in location, clean, secure and our meeting room is well-lit, comfortable and versatile. The decathletes can concentrate, honing their Logic and SuperQuiz skills. We're very fortunate to have this meeting space available for our team. It's a real find!

### Rosemarie's Corner...

The month of March brings shamrocks, leprechauns, St. Patrick's Day, St. Joseph's Day, and dinosaurs into the Preschool classroom! The children will learn about different types of dinosaurs, what the word extinct means, and some will be able to tell you whether a Dino is an herbivore or carnivore! We will also be digging for fossils! This month promises to have many rewarding learning experiences for all of us! Come visit!
