INCARNATION PRESCHOOL OPENS

We are happy to announce that after many months of preparation, Incarnation Preschool has finally opened its doors!

On Tuesday, September 8th, children and parents arrived and were greeted by our pastor, Fr. Paul Hruby, our principal, Olivia Carrillo, Parish Coordinator, Rita Guild, Preschool director, Rosemarie Muscarella and her assistant Leslie Guevara.

Welcome signs and balloons adorned the campus and the children seemed to adjust quite nicely!

We had a wonderful week!

Our sincere thanks for all your donations to our Preschool. We greatly appreciate everything!

Come and visit us!

Preschool Registration

Our Preschool is for children ages 3-5. The Preschool is housed in the south wing of our new Incarnation Community Center at 214 W. Fairview Ave., Glendale, CA 91202

Multiple options available for Enrollment, please call for details.
Mrs. Rosemarie Muscarella, Preschool Director.
Ms. Leslie Guevara, Teacher Assistant.

Kitchen Equipment Has Arrived

Visualize our completed kitchen! In the photo all the equipment is situated where it will be installed. There is a process of bringing the equipment in/out several times to make sure connections are in the right place and we have the best working arrangement. We are waiting for several final permits and the actual installation will begin – hopefully in the next couple of weeks. We will have a beautiful working kitchen – once completed.

I can smell the wonderful aromas wafting from the kitchen now....

“Incarnation Community Center” – Official Name!

Our property at 214 W. Fairview has been known by many names over the past few years: New Property, Central Property, the Annex, the Education Building. The name is now official: Incarnation Community Center! All events held here will seek to strengthen and build our Spirit of Community – a Spirit of Caring, Outreach, Sensitivity and Generosity. The rooms within the building will all be named after a common theme – one that ties us into our California heritage. Each room will have the name of one of our California Missions.

We have much for which to be thankful and much for which to rejoice!

Save the Date: Official Grand Opening

Sunday, November 15th

“A Harvest of Thanksgiving”
