Note:

Along with the changes to the schedule we have had to shorten the playtime to a block of 1 hour and 15 minutes to accommodate other groups that have been on a waiting list for some time. **Also please note that the building closes promptly at 10:00pm, NO EXCEPTIONS.**

Also we are increasing the rate to \$60.00 (sixty dollars) for each block of time which is less than the fair market value for the use of a private gym within the City of Glendale.

As there is no longer a gap in playtime we ask that you respect the incoming groups schedule as well as the exiting groups schedule and enter or exit on time. If you are early, YOU ARE EARLY. If you are running late, YOU ARE RUNNING LATE. That does not mean that you will infringe on others play time nor rush any others users creating a tense situation. Anyone found doing this will be removed from the play schedule immediately.

Please make sure you have the following: “Outside User Agreement,” and a copy of the “ICC Waiver Form.” In not, please take a minute to fill these forms out and return to us as soon as possible; waivers must be filled out of every person participating in your group including your coaches and parent helpers, i.e., any person whom will be on-site during your playtime or practices. (*Exception, parents who simply want to watch their children practice.*)

Payments are to be made on a timely manner, unless you have made special arrangements with our office you must drop-off a payment on a daily basis by using the “ICC DONATION ENVELOPES” located outside of the Administration offices. Quite simply, “If you don’t pay, you don’t play.”

I hope this schedule will work for everyone. If you do not wish to continue and you would like to give up your time, please email me at tcasey@incaglendale.org.
